A 11	a la cala de la calacidad a CNAADT						

All monies have been entered into SMART.

The rules are if you win both handicap and scratch, handicap is given first and you cannot place in both.

Scholarship amounts are per person, except for doubles, which should be divided in half for the apropriate amount per person.

Team, doubles and singles were paid 1 in 7 and all events was 1 in 10. Bracket money has also been put into SMART as well.
